## Time to be Bible Detectives, Parents and Kids!

When you read your Bible, grab a highlighter and choose one specific color just for when God is speaking directly. The Creation account, starting in Genesis 1:3, is made up of several verses included above. You can highlight each time God speaks to create Heaven and Earth and all that is within them. Also, the Lord's Prayer (Matthew 6:9-13) is a perfect example of when Jesus spoke and taught His disciples how to pray.
